IXth Generation Volume 1 Matt Hawkins

- In the future there is no more natural death, no needs unfilled, and everything you could ever want is yours...as long as you're one of the chosen ones to live in this new Utopia and you're willing to subjugate yourself to these new self-proclaimed gods with "IX" emblazoned on them. Do the ends truly justify the means? Is a utopia built on genocide worth the price? Aphrodite, Velocity, Hades, and the other Nines establish fiefdoms in this new world and attempt to rule. Their internal clashes have escalated, but they're forced to put their conflicts aside as they face-off against the relentless hordes of the Darkness. The sins of the past have come to claim those who would pretend to be Gods.
- The cybernetic future established in *Aphrodite IX* and *Cyber Force* finally comes face-to-face with the supernatural *Artifact* side of the Top Cow universe!
