## **101 Hotel Rooms** Corinna Kretschmar-Joehnk, Peter Joehnk

The more the speed of life is increasing and the more constant mobility is becoming the norm, the more important are rooms and spaces that provide a home away from home. In this context, hotel rooms constitute an essential hub as they combine travel and arrival, as well as movement and relaxation all in one. Guests should relax and feel comfortable in their hotel rooms, while also becoming inspired by the spirit of the surrounding space.

Five years after the publication of "101 Hotel Rooms", this second volume presents new examples of lifestyle quality experiences, while illustrating the talent of the two interior design experts for extraordinary room concepts and visionary design ideas – they translate emotions into design and design into atmosphere. Based on a holistic approach, the concept of hotel rooms is constantly reinvented and put into scene.
