Janson Goldstein: Work Mark Janson, Hal Goldstein, Steven Scuro

This is the first monograph by New York based architecture and interior design firm Janson Goldstein. Janson Goldstein's diverse practice ranges from artisan-crafted custom furnishings, to highly personalized homes and apartments, to large-scale urban retail, hospitality, and condominium projects.

The firm's founding principles were to bring the disciplines of architecture and interior design together under one roof, and to embrace a diversity of project typologies. The result is a richness of unique ideas, from conceptual development through to the materiality of the executed work, that is evident in every project.

With this richly photographed monograph, we illustrate how these principles have been implemented in more than 400 projects world-wide.
