Puxhill by Night: Lesbian Erotic Urban Fantasy Michael M. Jones

Welcome to Puxhill. It's a quiet little city just a half-step off the beaten path. Everything seems normal, but the walls between worlds run thin here, and magic seeps into everyday life. Forgotten gods and faded myths live amongst the humans, and passions run deep. In Puxhill, the impossible becomes real. In these eight erotic tales of magic, mystery, and lesbian lust, worlds collide in new and mesmerizing ways. The night manager of a seedy motel unlocks the secrets of an amnesiac girl's past, while an angry young rocker fights for her life in a back alley. A rogue A.I. assumes human form to romance the new owner of a comic book store, shapeshifting lovers must break an ancient curse or run the risk of killing one another, and much more. Puxhill by Night collects a mixture of reprints and original stories by acclaimed author Michael M. Jones.
