**Tenryu-ji: Life and Spirit of a Kyoto Garden** Norris Brock Johnson

This illustrated study of Tenryuji, ranked number one among the five great Zen temples of Kyoto and a major destination for tourism and worship, weaves together history, design, culture, and personal reflection to reveal the inner workings of a great spiritual institution. Looking at Tenryuji's present as a mirror to its past, and detailing the famous pond and rockwork composition by renowned designer Muso Soseki, Norris Brock Johnson presents the first full-length "biography" of a Zen temple garden.

**Norris Brock Johnson** is a professor of anthropology at the University of North Carolina in Chapel Hill and has been teaching and writing about Japanese temple gardens for over twenty years.
