This is the second book in my series of Arabian horse books. Arabian horse is slightly different than my first book the Arabian Desert Horse book, I have opened up some different chapters looking into this beautiful breed. This book is designed to show the many different types of Arabian horses and how the Arabian horse is displayed today. Explore breeding programs and Pedigrees or just enjoy the many wonderful photographs in this book. From the Arabian owners and breeders from all around the world, you can visit their websites and see other information on their stud.
