## **The Human Body Of Light** Mitchell Earl Gibson

In this book *The Human Body of Light*, board-certified psychiatrist and author Dr. Mitchell Earl Gibson explores this fascinating arena of human potential. This book is designed to explore one question; is it possible for the human body to evolve into pure energy? Through meticulous research and one-of-a-kind insightful observations, *The Human Body of Light* explores the real phenomenon of an extraordinary type of human evolution. The realizations that accompany this knowledge has the potential to change our understanding of what it means to be human. The diagrams and images related to Cosolargy and the solar body were created by Gene Savoy of the International Community of Christ and the Jamillian University. The process of creating the body of light is an ancient practice and has been used for thousands of years on this planet.
