Charisms and Charismatic Renewal: A Biblical and Theological Study Francis A. Sullivan

The rapid growth of the charismatic renewal in the Catholic Church has brought with it both controversy and confusion, and it has raised a number of important theological questions. Is it an authentic renewal movement? Exactly what is the baptism of the Holy Spirit? How should we understand the gift of tongues? What is prophecy? Does God really heal by supernatural means? One by one, Francis Sullivan takes up these controversial points in one of the most thorough theological investigations yet undertaken into the Catholic charismatic renewal. 'Charisms and Charismatic Renewal' is a scholarly analysis of this dynamic renewal movement for those who want to know more about its history, its theological and scriptural bases, its present impact on the church, and its probable future course.
