Folk Songs & Dances From the Balkans - Flute Edition Costel Puscoiu

Folk Songs and Dances from the Balkans - Flute Edition is a small, but representative collection of well-known and lesser-known beautiful melodies from the Balkans. The carefully chosen the melodies offer a rich, enjoyable and varied book. The arrangements and other adaptations (keys, ornaments, etc.) have been introduced to make this beautiful South-Eastern European music more suitable for performance on the flute. It is recommended to repeat each piece 3-4 times because the melodies (like all folk songs in the world) are very short. Includes access to an online audio recording and a piano accompaniment download.
