If I'd Known Then What I Know Now Donna Ferguson

This book explains the seasons of a woman's life as a school for eternity and her relationships as the classroom. Donna Ferguson shows us that without an ongoing partnership with the Holy Spirit no woman can expect to fulfill her destiny as co executor of the will of God for humanity or discover the treasure God has for her within these relationships. Balanced between reality and myth, fact and faith, commitment and conscience, the author shows how childhood experiences impact adult relationships and set the stage for the next generation. She writes, "Marriage joins more than a man and a woman. It is the combining of two life dramas, two sets of parents, siblings, and any number of bit players within those dramas. We now have a more complicated drama. As the saying goes, "the plot thickens," and the ones most apt to complicate the new drama are the little boy and girl we used to be, and in many instances, continue to be."
