## **Key of Sea** Mary Stella

In her youth, Dora Lee Hanson set her dreams on distant goals. A more exciting life waited, if not over the rainbow, then at least somewhere out of the quiet Florida Keys. The twenty-something beauty left home for a modeling career, but a wealthy magnate swept her off her ostrich-plumed mules. Unfortunately, after more than a dozen years of marriage, the wicked wretch kicked her to the curb. Facing a very uncertain future, she returns to her beloved grandfather and the home she eagerly left behind all those years before. Successful Keys fishing guide Bobby Daulton has the life he always intended, with one notable exception. He never caught Dora Lee, the love of his youth. After all these years, he never expected her to blow back into his world with tornado force, but he's a far cry from the kid who once let her slip the line and escape. When an ex-trophy wife with a midlife crisis hooks up with the hot guy whose heart she unknowingly broke years before, the passionate pair rock more than the romance boat. Dora Lee has her eye on a brand new dream. Bobby has his eye on Dora. He's fallen for her again, hook, line and sinker, and this time she won't swim away.
