Virtual classrooms provide a fantastic opportunity for any organisation that wants to get more training done more cheaply, particularly when participants are widely dispersed. Many of the skills of the classroom trainer can be transferred without difficulty to an online setting, but the experience can still be strange and sometimes a little daunting for those starting off as virtual classroom facilitators. This book brings together best practice guidelines from around the world and from our own extensive experience. It will provide you with invaluable support as you look to transfer your skills online.
