Natural in Paradise Charles MacFarland

Hasn't everyone dreamed of being able to move about outdoors as nude and as free as we were in the Garden of Eden? Young people in Byron Bay, Australia have made this dream come true and have integrated it into their lifestyle. In this book, you'll experience pretty nudists who enjoy their nakedness, go for nude hikes in the jungle, perform yoga exercises in the nude on the beach, and celebrate life in unspoiled natural surroundings. The pleasantly warm climate on the shore of the Pacific Ocean encourages them to indulge in these naked pleasures all year round. Incidentally: shaved pubes are unknown here, where naturally thick, lush pelts of pubic hair never went out of style. Hardbound, color. Text in English, German and French.
