## **Night Shift** Stephen King

*Night Shift*—Stephen King’s first collection of stories—is an early showcase of the depths that King’s wicked imagination could plumb. In these 20 tales, we see mutated rats gone bad (“Graveyard Shift”); a cataclysmic virus that threatens humanity (“Night Surf,” the basis for *The Stand*); a smoker who will try anything to stop (“Quitters, Inc.”); a reclusive alcoholic who begins a gruesome transformation (“Gray Matter”); and many more. This is Stephen King at his horrifying best.
