All along the eastern seaboard, the American struggle for independence rages. In the British-held southern port of Mobile, Alabama, the conflict brewing is quieter--though no less deadly. The lovely Frenchwoman Lyse Lanier is best friends with the daughter of the British commander. Rafael Gonzalez is a charming young Spanish merchant with a secret mission and a shipment of gold to support General Washington. As their paths cross and their destinies become increasingly tangled, Lyse and Rafael must decide where their true loyalties lie--and somehow keep Lyse's family from being executed as traitors to the British Crown. With spectacular detail that brings the Colonial South alive, Beth White invites readers into a world of intrigue and espionage from a little-known side of the American Revolutionary War. Her richly textured settings and characters delight while fast pacing and closely held secrets will keep readers turning the pages.
