## When nobody talks, the stones cry out

In the searing heat of a Virginia summer, two men plummet from a roof top to their deaths on the sidewalk below. One of them was a white police officer. The other, a black man with a murky past. Hundreds of people stood on the sidewalk below, yet nobody will say what happened.

The FBI wants a quick verdict—with or without the truth—and sends in rookie agent **Raleigh Harmon**.

Between the tight-lipped witnesses and the secrets hidden among the city's most powerful families, Raleigh's forced to use her forensic geology skills to uncover the truth. **But can she solve this case before the city's simmering rage burns out of control?**

**And will her choices bring down everyone involved—including Raleigh herself?**

Praise for the Raleigh Harmon series

“Giorello has won the Christy Award and has received two Pulitzer Prize nominations. When you read this book, you’ll see why.”

—*Booklist*, Starred Review

“Read her for her wonderfully descriptive prose, her killer plots or her well-drawn characters, but read her. You’ll come away enriched in deep and plentiful ways.”—*The Richmond Times-Dispatch*
