## This Side of Early Naomi Ayala

Naomi Ayala's poems explore wide-ranging themes in an ever-changing landscape—from the city streets to the introspective solace of the woods. These lyrics deconstruct the political world of man, offer hope through a compelling, lyrical, spiritual intimacy, and bridge the gap between the two with words full of ecological intensity.

Her deep connections with the working class combine with a love of the land to offer us lilt and dream, revelation and foretelling.

### “HOLE”

*One morning  
they dig up the sidewalk and leave.  
No sign of the truck—only the large,  
dark shadow digging and digging,  
piling up sludge with a hand shovel  
beside the only tree.  
Two o'clock I come by  
and he's slumbering in the grass beside rat holes.  
Three and he's stretched across a jagged stonewall,  
folded hands tucked beneath one ear—  
a beautiful young boy smiling,  
not the heavy, large shadow who can't breathe.  
Four-thirty and the August heat  
takes one down here.  
He's pulled up an elbow joint  
some three feet round.  
At seven I head home for the night,  
pass the fresh gravel mound,  
a soft footprint near the manhole  
like the “x” abuelo would place beside his name  
all the years he couldn't write. ?*
