A Husband's Christmas Prayer pulls back the curtain on struggles pastors and their families face. Pastor Paul has just been handed the promotion of his dreams, but his formerly supportive wife doesn't share his sentiment about moving. She likes where she is—her home, church family, coffee with friends while the kids are at daycare. Why would they move? They both know there is a rift growing between them. As he ministers to difficult people, will he also be able to minister to his own family?
