## **The Prophet of Zongo Street: Stories** Mohammed Naseehu Ali

A dazzling collection of stories, *The Prophet of Zongo Street* takes readers to a world that seamlessly blends African folklore and myths with modernity. Set primarily on Zongo Street, a fictitious community in West Africa, the stories -- which are reminiscent of the works of Ben Okri and Amos Tutuola -- introduce us to wonderfully quirky characters and the most uproarious, poignant, and rawest moments of life. There's Kumi, the enigmatic title character who teaches a young boy to finally ask questions of his traditions. And as Ali moves his characters to America we meet Felix, who struggles with America's love of the exotic in "Rachmaninov."

*The Prophet of Zongo Street* heralds a new voice and showcases Mohammed Naseehu Ali's extraordinary ability to craft stories that are both allegorical and unforgettable.
