SunBow received and transcribed these messages from an Elder Sasquatch named Kamoooh in 2015 while in British Columbia, Canada. The Sasquatch People asked us to disseminate the information as it's a message to the world for us each to do our part to save Earth and the human race! Our Sasquatch Elders want to "talk" with people in a powerful decision-making capacity because someone must comprehend all the negativity that is happening and take the lead in creating a peaceful and environmentally-friendly world for a healthier planet in Spirit, Mind, and Body.
