Introduction to International Studies

Brian Orend

Introduction to International Studies Brian Orend

International studies is an interdisciplinary field that is rapidly gaining in popularity. Drawing from many well-established disciplines such as political science, geography, sociology, and economics, it examines and evaluates the many issues that affect the global population.

Introduction to International Studies offers a concise introduction to the fields of international studies and international development, as well as many of the major topical issues of interest to students. It might be assumed that the author of a book on international studies would focus exclusively on governance, economics, conflict resolution, and war, but Orend has been careful to expand his coverage to include such topics as trade, culture, health, and human rights.

Theoretical concepts act as the foundation for understanding the real-life examples presented in the form of case studies from various disciplines. Students will learn to apply theory to the quickly changing global world and will finish this text ready to take on more advanced training in international studies.

From reader reviews:

Rodney Mitchell:

Here thing why this Introduction to International Studies are different and trustworthy to be yours. First of all reading a book is good but it depends in the content of the usb ports which is the content is as scrumptious as food or not. Introduction to International Studies giving you information deeper and different ways, you can find any e-book out there but there is no e-book that similar with Introduction to International Studies. It gives you thrill looking at journey, its open up your own personal eyes about the thing that happened in the world which is possibly can be happened around you. You can actually bring everywhere like in area, café, or even in your way home by train. In case you are having difficulties in bringing the published book maybe the form of Introduction to International Studies in e-book can be your substitute.

Jennifer Dillon:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want truly feel happy read one along with theme for entertaining for instance comic or novel. The particular Introduction to International Studies is kind of publication which is giving the reader unpredictable experience.

Bridget Chacon:

Playing with family in the park, coming to see the ocean world or hanging out with buddies is thing that usually you might have done when you have spare time, subsequently why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Introduction to International Studies, you can enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't get it, oh come on its known as reading friends.

Rick Beard:

Is it a person who having spare time subsequently spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Introduction to International Studies can be the answer, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?
