## **My Smartphone and Other Digital Accessories (Well Made, Fair Trade)** Helen Greathead

My Smartphone and Other Digital Accessories explores the problems faced by the people who build and mine the materials for the world's cell phones and other digital accessories, and environmental problems associated with the making and disposing of electronic devices. Case studies show how fair trade projects are helping people achieve safer working conditions and a fair wage for building smartphones and other digital products such as laptop computers, cameras, ipods, and game consoles.
