Nos vemos! es un nuevo manual de español que propone una manera, natural y sencilla de acceder al aprendizaje y la enseñanza de la lengua. En las diferentes unidades, el estudiante encontrara una serie de secuencias, didacticas breves, que presentan una variada tipología de actividades, y una tarea final en la que se elabora un producto que el alumno puede incorporar a su portfolio. Una sección dedicada al trabajo estratégico y un anexo cultural completan el recorrido. Cada tres unidades se propone una de repaso, llamada Mirador, con la que los, alumnos fijan sus conocimientos y ganan seguridad en el manejo de la lengua. Además, en estos repasos, se potencia de manera especial la competencia, estratégica y se presta atención al tratamiento del error. La estructura de los contenidos, clara y funcional, facilita la aplicación de las propuestas de trabajo, que convierten el aula en un espacio en el que tienen cabida tanto la reflexión individual como el trabajo en colaboración con los compañeros. ¡Nos vemos en clase!
