#### **Thomas Morgan:**

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A treatise on the rights and duties of merchant seamen, according to the general maritime law, and the statutes of the United States can make you experience more interested to read.
