In *Crafting Love*, author Maggie Oman Shannon, whom the *San Francisco Chronicle* dubbed "The Minister of Creativity," explores new forms of creative spiritual practice and the benefits they provide. The format of Shannon's book is itself creative: a rich "mixed media approach" that weaves together interviews, historical facts, projects for readers to do themselves, quotations, and suggested resources. *Crafting Love* serves as an inspirational resource guide to a broad assortment of spiritual practices gathered from the global arts-and-crafts communities, as well as from people who don't consider themselves artists but who have adopted creatively expressive forms of spiritual practice.
