## Daily Messages from the Angels 2017 Calendar Doreen Virtue

*“No matter what you need help with, no matter what you believe your blocks or limitations to be, we have a solution waiting for you right now. Just ask us.”*

The Law of Free Will says that the angels can only help you when you ask them, or give them permission to, yet many people say that they forget to ask for their angels' help. So I created this calendar to give you daily reminders to ask for your angels' assistance with anything and everything.

All the entries within come directly from the angels, so when you see the words *we* and *us*, know that the angels are personally speaking to you and are bringing you comfort, guidance, and Heavenly love. By reading their words daily, you'll be immersed in the sweet energy of their love. This will help you be more aware of your own guardian angels' messages for you.

My prayer is that, with the help of this calendar, each of your days will be filled with blessings, miracles, and joy.
