Emotional Intelligence Training Karl Mulle

When it comes to reaching peak performance, emotional intelligence is key.

Research shows that emotional intelligence is more important to performance than ability and technical skill combined. But is EI a skill that can be developed in others? Absolutely.

Trainer Karl Mulle has developed a collection of complete workshops and tools you'll need to conduct effective two-day, one-day, and half-day emotional intelligence workshop programs.

Free tools and customization options

The free, ready-to-use resources (PDF) that accompany this book include downloadable presentation materials, agendas, handouts, assessments, and tools. All workshop program materials, including MS Office PowerPoint presentations and MS Word handouts, may be customized for an additional licensing fee. Browse the licensing options in the Custom Material License pricing menu.

About the Series

The ATD Workshop Series is written for trainers by trainers, because no one knows workshops as well as the practitioners who have done it all. Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other.
