In the Silence: 365 Days of Inspiration from Spirit Suzanne Gieseemann

"This book is a must for a personal library. It is filled with pages of infinite wisdom and advice that can be used by anyone of any age, any religion." "This is one of the most inspiring books I have read, and I have read most of them." "This amazing book has changed my life." "Reading this beautiful, expressive book will change the world." And now, from the silence of communion with Sanaya comes *In the Silence*, a second full year of universal messages of love and hope. Who is Sanaya? Suzanne Gieseemann answers: "She is a collective consciousness that comes from a higher dimension than our own. Sanaya takes us outside the confines of being human to a dimension where we come face to face with our higher selves. To hear the words of Sanaya as they come through-to sit in the presence of that energy-is a palpable experience of higher vibration ... of love. To read Sanaya's words can have the same result when you tune in to that finer energy as you read." In the material world with its ups and downs, a daily dose of Sanaya's loving energy is like a multi-vitamin for the soul. Whether you read the messages in order or choose a selection at random makes no difference. You will feel as if you're being consoled and counseled by a concerned and loving friend, connected with the essence of your true self. In this new collection of spiritual wisdom, Sanaya shares how to find peace in the midst of chaos and live a life of love and compassion.
