## The Triune God (New Studies in Dogmatics) Fred Sanders

New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal. Following in the tradition of G. C. Berkouwer's *Studies in Dogmatics*, this series will provide thoughtful, concise, and readable treatments of major theological topics, expressing the biblical, creedal, and confessional shape of Christian doctrine for a contemporary evangelical audience. The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds, councils, and confessions, and by its most trusted teachers.
