Not illustrated. 1881 Excerpt: ...call constitutional rights; there is no machinery among them for the assertion of their power; but there is probably no community in the old world, where popular feeling exercises a more powerful influence on government than it does at Hail. The Emir, irresponsible as he is in individual acts, knows well that he cannot transgress the traditional unwritten law of Arabia with impunity. An unpopular sheykh would cease, ipso facto, to be sheykh, for, though dethroned by no public ceremony, and subjected to no personal illtreatment, he would find himself abandoned in favour of a more acceptable member of his family. Ch. xi. Heirs to the Throne. 271 The citizen soldiers would not support a recognised tyrant in the town, nor would the Bedouins outside. Princes in Arabia have, therefore, to consider public opinion before all else. The flaw in the system, for in every system there will be found one, lies in the uncertainty of succession to the Sheykhat or Bedouin throne. On the death of an Emir, if he have no son of full age and acknowledged capacity to take up the reins of government, rival claimants, brothers, uncles, or cousins of the dead man, dispute his succession in arms, and many and bitter have been the wars in consequence. Such, quite lately, was the quarrel which convulsed Aared on the death of Feysul ibn Saoud, and led to the disintegration of the Wahhabi monarchy, and such, one cannot help fearing, may be the fate of Jebel Shammar, on Mohammed's. He has no children, and the sons of Tellal, the next heirs to the throne, have a formidable rival in Hamtid. The Emir, however, is a young man, forty-five, and may live long; and if he should do so, seems to have the succession of the Wahhabi monarchy in his hands. He has effected, he and his predecessors, the ...
