Grave diggers' Party Gaham Wilson

Two-headed pub crawlers and monsters that might be your next-door neighbors are just some of the odd creatures found in the works of Gahan Wilson -- the sort of dark and twisted humor that has garnered accolades and awards for this celebrated cartoonist, whose work has graced the pages of The New Yorker, National Lampoon, and Playboy. Containing over 150 cartoons that stretch across the length of Wilson's ouevre, Gravediggers' Party is a pumpkin-stuffing collection of the weird and the wild, the strange and the supernatural, appreciated by only the most discerning ghoul. (You know who you are.)
