How to Become a Surrogate Mother: A Guide to Becoming a Surrogate and What You Should Know About Surrogate Motherhood Greta Knowles

Surrogacy is a type of assisted reproductive technology that is gaining popularity for many couples unable to conceive a child. It has brought immense joy to many partners who have almost lost all hope of ever becoming parents. You may be considering surrogate motherhood either because a friend or family member asked you to carry their child, or simply because you want to be able to help others create a family. Either way, if you are looking at the possibility of being a surrogate, there are numerous questions that need to be answered and legal processes you must fulfill. All that can be overwhelming, even scary. This book is designed to help women considering surrogate motherhood to understand the process and be ready for what they might face. It details all the planning and preparation needed, the actual procedures, and the safeguards you must put in place to protect yourself. With this book, you can proceed into surrogate motherhood with open eyes and a ready mind to provide a service to another family in a most selfless way.
