Table of Contents Introduction Who Needs to Know How to Survive in the Woods What You Need In Order To Survive Deadly Animals to Avoid What to Do During the Day and Night Conclusion Author Bio Publisher Introduction The beautiful scenery and fresh and breathtaking views of forests makes them some of the best places to visit. There are countless number of attractive plant and animal species in forests and therefore most people are tempted to go deeper and deeper into the woods. When venturing into the forest, you might find yourself lost within a few hours of entering it. Unless you know your way out of the forest, you'll be forced to spend a few days in the forest while waiting for help or trying to figure out how to get out. This means that the only way you can be alive and healthy when help arrives is by knowing how to survive in the forest. Unlike deserts and dry areas, forests are characterized by heavy rains and mud throughout the year. In Polar Regions, temperatures in the forest are always extremely low and may freeze you to death. With these harsh conditions, it is normally very difficult to move around while in a forest. It is therefore up to you to make sure that you know how to survive in the woods while looking for your way out. Unlike in inhabited areas, it is quite difficult to send out a distress signal while in the middle of the forest. Calling for help might also be impossible because of poor or no cellphone network coverage in most parts of the forest. If you're keen on coming out of the woods alive, you must never avoid knowing how to survive in it. The book "How to survive in the Woods" is equipped with everything you need to know in order to survive in the woods. Inside the book you'll find step by step guidelines on what to do and what not to do so as to stay alive and healthy in the woods. By reading this book, you'll know how to prepare for an excursion into the woods and also how to make sure that you don't get lost in the forest. In case you get lost, the tips listed in this book will help you know how to find your way back home or call for help. By reading this book, you'll also get to know where to get food and water while in the woods. This means that you won't die of starvation if you read this book before going anywhere near a forest. Enjoy reading the book "How to survive in the Woods!!!"
