Industrialisation in the Non-Western World

Tom Kemp

Industrialisation in the Non-Western World Tom Kemp

This new edition is fully updated and revised, incorporating the massive changes in the USSR and China in the 1980's. It offers a series of case-studies charting the progress and assessing the achievement of six industrializing countries outside the Western World. It covers the whole range of economic approaches, from those depending wholly on market forces to those that are completely planned.
