## The Cosmic Perils of Qadi Usayn Maybud in Fifteenth-Century Iran (Islamicate Intellectual History)

Alexandra Dunietz

In *The Cosmic Perils of Qadi usayn Maybud in Fifteenth-Century Iran* Alexandra Dunietz explores the life and works of a provincial judge during a time of tribal rivalries and millennial expectations. During the decades preceding the rise of the Safavid regime and the establishment of Shiism throughout Iran, Maybud participated in a network of intellectuals, administrators, and mystics, wrote prolifically, and worked as a judge within the Ak Koyunlu sphere. Drawing upon Maybud's commentaries and correspondence, the work focuses on the judge's education, complex commentary on the poetry of Al, the foundational figure of Shiism, his professional life, and his death during a rebellion against Safavid control of his hometown. Maybud exemplified the natural development of relations between Sunnis and Shiis, provincial elites and central authorities, rationalist philosophers and devotees of the esoteric."
