The Meaning Steve Taylor

'Insightful and delightful, Steven Taylor's poems are like a beautiful mist of champagne bubbles on a background of infinite space and silence.' --Catherine Ingram author of In the Footsteps of Gandhi, Passionate Presence, and A Crack in Everything'

'There is a strong tradition of poets (including Whitman and Hopkins, Lawrence and Hughes) whose primary concern is to attempt to re-establish contact with the cosmos, and openness to its plenitude of miracle. Steve Taylor s poems are in direct descent from that tradition, at a time when it is needed more than ever.' -- Keith Sagar, literary critic, author of The Art of Ted Hughes and the Art of D.H. Lawrence
