An effective way to reverse a trade's fortune

Almost all trading books focus on "winning" trades. But winning trades can be hard to come by, especially when you're just starting out. *Turning Losing FOREX Trades into Winners* takes a look at this discipline from a different angle, examining effective methods for dealing with trades that are in a losing position. First, it guides the trader through the various steps of determining if a trade is with or against the overall trend. Then, it explains how to decide when a trade should be closed or left open. While this reliable resource is filled with in-depth insights and expert advice that will help readers gain a better understanding of today's FOREX market, it also contains hundreds of chart examples that will provide step-by-step instructions on how traders can recover from losses.
