Guardian In My Shadow: I Believe John Payne

There comes a time when you must operate outside of the box from the normal factors of life and trust the supernatural things within the spirit of God. We, men and women living in today's times need encouragement, hope, self-esteem, love and the will to press and strive to be victorious. No matter what the situation may be, we can all do so through our faith and belief in God. I believe where man can't God can. Throughout this book you will experience with me true events which have occurred within my life of how a Guardian has mysteriously interacted in my behalf through trails, tribulations and sometimes bad decision that I had made. Yet through God's mercy and grace the favor of God prevailed. Who may the Guardian be in the cases you're about to experience? Whatever the case may be it appears to have been sent or ordered by God. Angelic at times, one who guards, governs, and guides like Daddy God himself. The Guardian you'll about to meet showed representation and demonstrations of the names of God. I believe, The Guardian in My Shadow.
