Reading the River: A Voyage Down the Yukon John Hildebrand

“John Hildebrand sets out in a canoe . . . to explore the great riverway of northwestern Canada and Alaska. . . . The geography is closely rendered and the characters especially sharply drawn. The country is filled with mad dropouts at river fish camps, good-hearted girls in the towns, sullen natives in tumbledown villages, cranky old-timers, terrible drunks and worse moralizers who live off the wild landscape and its abundant resources. . . . This is a fine work, and Hildebrand is a fine writer.”—Charles E. Little, *Wilderness*
