Review of Dermatology, 1e Ali Alikhan MD, Thomas L.H Hocker MD MPhil

Comprehensive in scope, easy to use, and aligned to the texts you trust, *Review of Dermatology*, edited by Drs. Ali Alikhan and Thomas L.H. Hocker, is a **highly effective study tool** for your upcoming board or maintenance exam. Using a concise, bullet-point format and mnemonic devices throughout, this unique guide ensures **rapid and efficient recall of the information you need to know** for exam success!

- Covers **all sub-specialty areas**, including general dermatology, dermatopathology, pediatrics, pharmacology, basic science, and dermatologic surgery.
- Maximizes retention and recall by using an **outline approach, bullet points, and mnemonic devices** that clearly identify key information.
- Illustrates and simplifies complex concepts with **more than 400 high-quality clinical images**, tables, illustrations, and histopathology slides.
- Keeps you **up-to-date with the latest hot-topic developments** including new biologic agents used in the treatment of various diseases such as psoriasis, eczema and melanoma.
- Reviews **topics you won't find in any other dermatology study guide**, such as genetic alterations and molecular laboratory studies in melanocytic lesions, soft tissue tumors, and other neoplasms.
- Helps you **recognize the often-elusive associations** between skin diseases and disorders of other organ systems.
- **Edited by Mayo Clinic dermatologists** who have recent, highly successful experiences with in-training exams, and contributed by experts within each section **adding further depth to every sub-specialty**.
- **Expert Consult™ eBook version included with purchase**. This **enhanced eBook experience** allows you to search all of the text, figures, and references from the book on a variety of devices.

From reader reviews:

Katie Martinez:

Book is written, printed, or outlined for everything. You can realize everything you want by a reserve. Book has a different type. We all know that that book is important issue to bring us around the world. Alongside that you can your reading skill was fluently. A guide Review of Dermatology, 1e will make you to be smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you looking for best book or suited book with you?

Nancy Lord:

As people who live in often the modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and advance. Some of you maybe will probably update themselves by studying books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This Review of Dermatology, 1e is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Miranda Durkee:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of e-book you read, if you want attract knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining for instance comic or novel. The particular Review of Dermatology, 1e is kind of publication which is giving the reader unstable experience.

Richard Powe:

Is it a person who having spare time and then spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Review of Dermatology, 1e can be the solution, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
