Drawing on psychology, family studies, sociology, communication studies, and neuroscience, *Intimate Relationships* is a comprehensive and current overview of relationship science written in an engaging and accessible style. The seventh edition of this best-selling text includes new, thought-provoking teaching tools and over 600 new references.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and when they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient. For instance, **Connect** contains **SmartBook**, the first and only adaptive reading experience available for the higher education market. Powered by the intelligent and adaptive **LearnSmart** engine, **SmartBook** facilitates the reading process by identifying what content a student knows and doesn't know. As a student reads *Intimate Relationships*, the material continuously adapts to ensure that he or she is focused on the content most crucial to closing specific knowledge gaps.
