## **ESV Reader's Bible (Summer Garden)** ESV Bibles by Crossway

The ESV Reader's Bible was created so that you can read the books of Scripture precisely as they were originally written. Verse numbers, section headings, and translation footnotes are helpful navigational and interpretive tools, but they are also relatively recent conventions. In the Reader's Bible they have been removed from the Bible text, and the result is a new kind of Bible-reading experience in a volume that presents Scripture as one extended storyline. On the top of each page a verse range is included for orientation. Other features include a single-column text setting, readable type, and a book-like format. The Reader's Bible is a simple but elegant edition, and is perfect for devotional reading, for extended Bible reading, or for focusing on the overarching narrative of the Bible. Black letter text, with no verse numbers or footnotes. Single-column, paragraph format.
