Shaping Interior Space Roberto J. Rengel

Shaping Interior Space, 3rd Edition, emphasizes the experiential contributions of interior design. Intended for all design students, the author covers strategies for creating interior environments that work as a total system to enhance the experience of the user. The book is organized into three parts, a background part introduces ways of designing for experience and reviews some important design principles and strategies. Part Two focuses on the three experiential goals that form the backbone of the book, order, enrichment, and expression. These serve as overall umbrellas that capture the many dimensions of users' experiences in the built environment. Part Three is devoted to design process. The process is broken up into understanding, ideation, and development and covers many tasks performed during the early and intermediate stages of design.
