## Event Design Yearbook 2016/2017 (English and German Edition)

As every year, the current edition of the Event Design Yearbook also presents the best and most interesting

events of the last year informatively, with a wealth of pictures. What is new, however, are the authors: with the Yearbook 2016/2017, the two makers of PLOT - Staging Spaces and authors of the Trade Fair Design Annual, Sabine Marinescu and Janina Poesch, are looking for small and large, private and public, cultural and corporate, exceptional and fascinating events, which all distinguish themselves through the idea behind it and its realization.

Interviews and theoretical texts accompany the projects, with inspiration and information going hand in hand and providing an insight into the sector.
