Hello Again - Acting Edition music and lyrics by Michael John LaChiusa book

The joys of sex are here for the asking in this adult musical fantasy suggested by Arthur Schnitzler's *La Ronde*. As though seen through the lens of a combination time machine and bawdy, old-time kinescope, HELLO AGAIN crisscrosses beds and jumps from decade to decade, intimately examining the painful secrets that drive characters into each other's arms and towards the bruising effects of reckless passion. With a score that saturates the mind, HELLO AGAIN has an unforgettable, dreamlike quality-and all the luxuriance of an insistent seduction. "Mr. LaChiusa's smart, beguilingly world-weary work was the best original musical of the season..." -NY Times. "LaChiusa is an artist with a puckish, damn-the-torpedoes imagination...his deliriously eclectic score is like tuning into a radio station with a serious President Clinton complex: It wants to please as many listeners as possible. For the camp mavens, there is a devastating pastiche, from "shlag"-heavy Viennese operetta to Yiddish boogie-woogie. For the Sondheim freaks, some devious wordplay. For the 'they don't write them like they used to' crowd, a plangent and hummable ballad...HELLO AGAIN scores." -NY Newsday.
