## **Kids Weaving: Projects for Kids of All Ages** Sarah Swett

Sarah Swett has loved weaving since the age of eight, when she made magic carpets for her teddy bears. Now, as a professional tapestry weaver and knitwear designer, she shares the joy of creating beautiful woven items with a new generation of young crafters. In *Kids Weaving*, the only weaving book written specifically for children, Swett shows how to make 15 fun, inexpensive, colorful projects -- including friendship bracelets, a rag doll, a fashionable chenille scarf, magic carpets, and funky hand-woven shoelaces -- many of which can be completed in an afternoon.

With clear, step-by-step instructions and bright, helpful illustrations, *Kids Weaving* teaches children (and adults too!) how to weave using everything from their hands to cardboard to an easy-to-create loom made from simple plumbing supplies. Throughout the book are fascinating features about weaving around the world; special projects like weaving a hideout from sticks, branches, and wildflowers; and stories of famous characters such as Penelope, the clever weaver from *The Iliad* and *The Odyssey*. The third in STC's Kids Craft series (following *Kids' Embroidery* and *Kids Crochet*), this delightful, easy-to-use book brings one of the oldest craft traditions to creative children everywhere.

A step-by-step format and bright illustrations ensure successful results for children of all ages

All of the projects are inexpensive to make

The only weaving book written specifically for children
