**The Prodigal Project Book 4: Kings** Ken Abraham, Daniel Hart

Based on a Biblical interpretation of the Rapture, *Kings* continues the story of those caught up in the events following this world-upending event. Azul Dante, the increasingly controversial figure whom some nations hope will restore order to the world, recovers from a recent assassination attempt. Behind the scenes, another and even more sinister force exerts its powerful influence at a gathering of ten world leaders. While they meet, other events prefiguring the start of the last days have armies poised for battle.

Meanwhile, the members of the seven set out to spread the good news of Christianity and salvation in a world desperate for answers and assurance. *Book 4: Kings* demonstrates once again that:

The answer to the ultimate test is faith.
