Botanical Illustration Course: With the Eden Project Meriel Thurstan, Rosie Martin

This is simply the best and most complete course in botanical illustration ever produced, with each chapter a perfectly constructed and self-contained class. Created in conjunction with the internationally renowned Eden Project—home of the only jungle in captivity—it's put together by two leading figures in the Project's famed art school, and uses many beautiful works from its students. Artists and plant lovers will find a wealth of practical information, with easy-to-follow exercises and case studies. The priceless advice encompasses everything from honing observational skills and plant dissection procedures to color mixing and applying watercolor. Adding highlights, producing a pleasing composition, and developing a personal style—all the building blocks for achieving excellence are here.
