Equity Release: A Practitioner's Guide Jonathan Wilkey

The UK equity release market is one of the fastest growing sectors of the financial services industry. Unlocking money from homes to support low incomes has proven to be an attractive option especially in times of falling stock markets, low interest rates and under-performing pension programs. Lawyers and financial advisers need to be aware of the legal framework in which such UK equity release methods operate. This new guide provides a comprehensive review of the various types of methods available; gives advice on the professional and practical issues surrounding such methods; and offers insight on how these can be used to mitigate inheritance tax, pay for residential care, fund speculative investment, and help settle matrimonial settlements.
