Audrey's biological clock is ticking, and her need to nurture is growing stronger by the day. She meets Rachel on an online dating website and believes she could be the perfect candidate to be her little one...

Rachel is crippled with debt and struggling to live life alone. When the **older, wealthy** Audrey shows interest, she has a hard time saying no. She flies to New York to meet her, and finds out Audrey wants her to become her **little one**. Rachel will be **powdered, diapered, nursed**, and if she is particularly naughty, she will be **disciplined with a bare bottom spanking**. If Rachel agrees, she will have all the **hot steamy action** she can imagine with the **sexy older woman**, but of course being a **submissive** is only half the challenge. It is hard to be good, when you're just naturally so bad!
